

THE MIDNIGHT CLOCK & THE OLD RUGGED CROSS

The atoning blood

THE MIGHTY MAY 3rd, 2007 vision of the 11:59pm clock of GOD that was lowered from heaven into the sky, has continued to play a central *role* in stirring up a great *awakening* within the body of Christ. Through this vision, The LORD relayed to the church a great *disposition of love* by not only presenting this clock in the sky, but also instantly giving its revelation thereof. When the clock turned into a humongous *writing across the sky*, that was the *revelation* and message the LORD intended to *minister* to the church of Christ. Like HE did with Daniel the Prophet, so has HE done now by giving this vision and its interpretation at the same time. However, while the *elucidation* of the vision of the clock may seem obvious in the WRITINGS OF GOD that said, "JESUS OF NAZARETH IS COMING", the deeper *revelation* of its accompanying details nonetheless requires a *multifaceted* unveiling of biblical scripture in order to fully underscore what the LORD is instructing. There is much more than meets the eye, that the church needs

to *excavate* from this monumental visitation of our time. Key among the *messages* this vision of the *midnight clock* dispatches across the face of the earth, is the need for the present-day church to appreciate that the day of reckoning has come closer, thereby demanding of her to undertake a careful audit of the quality of salvation

she beholds. This becomes the blatant demand that the present-day christians recognize the role of the BLOOD of Jesus in their *salvation*. It is a grim *reminder* of the

importance the LORD places on the Old Rugged Cross, and especially as relates to the role it ought to play in the *purification* of the hearts of the present-day *complacent* christians. *Complacency* has today compromised the *integrity* of *salvation* to the extent that the modern-day believer almost fails to appreciate the ancient works of the Calvary Cross. However, by indirectly pointing the church to the powerful BLOOD of Jesus, this *midnight clock* essentially brings into discussion the *relevance* of the Old Rugged Calvary Cross in the life of

SAN PEDRO DE MACORIS, DOMINICAN REPUBLIC HEALING SERVICE 2013

today's modern church. In that way, this visitation is emphasizing the need for the present-day church of Christ to *return* to the original basics of the Calvary *salvation*. Thus, this *midnight clock* has brought back to the centre stage the need to *shun* today's horizontal *gospel of prosperity*, and to instead *champion* the *atonement* works that Christ earned for the church, at Calvary. It is a vision that is *stressing* the fact that, in all her weaknesses and sin, GOD ALMIGHTY has as a matter of fact not *cast* the church away as *worthless*, from HIS agenda! This vision of the *midnight clock* serves as a classic demonstration that the LORD still endeavours to embrace an awakening in the church. Because *atonement* for sin essentially describes how the human being can be *reconciled* with GOD, then, what this golden *midnight clock* is doing in the church at this hour, is indeed *humongous*. It

is a message that has fundamentally brought to the fore the significance of the present-day church *embracing* the *forgiveness* and *pardoning* of sin that the *death* and *resurrection* of Christ achieved for her at Calvary. In this way, GOD ALMIGHTY is vigorously employing the ticking of this *midnight clock*, to upgrade the conversation in the present-day church, by *rekindling* her memory onto the wonderful work of *reconciliation* that the LORD Jesus laid down between GOD and man. In that assignment, the Christ literally paid it all with HIS own dear life, in order to open up an *avenue* for *fallen* man, the church inclusive, to return to *holiness* again.

... and the LORD hath laid on him the iniquity of us all (Isaiah 53:6).

By sin, the church was cut off from her *eternal destiny*, and alienated from communion with the Holy GOD

of heaven, and yet by the *atonement* work of the *grace*, she now has a second chance of being *reconnected* back to the heavenly sphere of GOD, through *REPENTANCE*. The present-day church needs to know this in order to commence a *rigorous* process of *reformation*. This is the way the vision of the *midnight clock* is once more utilizing its emphasis on the BLOOD to *flag high* the need for the present-day *apostate* church to strive for *reconciliation* with the LORD. It is common *knowledge* that currently a *controversy* exists between the House of the LORD and the LORD. It is a *conflict* that has arisen from the *sinful lifestyle* that the present-day body of Christ has *tolerated* in her walk. Moreover, because the core of Christ's mission on the Cross was to create a positive *moral change* in the life of *fallen* man, then we can clearly see that the LORD is using this vision of the clock to *re-anchor* the church back to that original *unadulterated* holy *salvation* of the Cross, in order to achieve *righteousness* in the House. This, our LORD Jesus accomplished through HIS *death* and glorious *resurrection*.

For Christ also hath once suffered for sin, the just for the unjust that he might bring us to GOD, being put to death in the flesh, and quickened by the Spirit (1Pet 3:18 KJV)

Furthermore, this *midnight clock* is also meant to remind us of the *ransom* that Jesus of Nazareth *paid* to *liberate* mankind from the *slavery* of sin and satan. This is how Christ's own life was *laid down* by GOD THE FATHER as a *ransom sacrifice* for rescuing man. In so doing, this vision of the *midnight clock* has essentially *reawakened* the role of the *victory* that the LORD Jesus scored for us over satan, and that such a role consisted of *swapping* the life of the perfect Lamb of GOD for the lives of the *imperfect* men. In this case then, the *Clock* of GOD is reminding the church that Jesus Christ defeated satan in a bruising *spiritual battle* that freed the enslaved mankind thereby

defeating the captor. It is a sombre reminder of the high cost and price that Christ Jesus paid for the church's salvation. In this way, the LORD is using this vision to warn the present-day church that she cannot in any way continue abusing the grace owing to the high ransom paid.

Just as the Son of Man did not come to be served but to give his life as a ransom (Matt 20:28)

Furthermore, this vision of the midnight clock is also trumpeting for the Messiah by reminding today's complacent church of the great debt that she owes GOD MOST HIGH. When GOD created man, HE did so in HIS own honourable image and likeness. However, when man fell at the garden of Eden, it became a great dishonour unto the image of GOD. But that GOD may be able to forgive such an insult as was commissioned in the garden, HE required a perfect lamb without defect in order to atone for that heinous abuse. Because mankind essentially disgraced GOD at the garden of Eden, such an insult became so injurious to

the Image of GOD, thereby subjecting HIS Name to contempt. Now, because GOD ALMIGHTY must stick to HIS word, the wages of sin had to still remain death. It is this scenario that caused mankind to owe GOD and be indebted to HIM since in that fallen form man deserved death. However, because of the weakness of mankind and his inability to please GOD, heaven required a perfect sacrifice that would satisfy HIS perfect law of atonement.

¹³ Then the LORD God said to the woman, "What is this you have done?" The woman said, "The serpent deceived me, and I ate." (Gen 3:13)

Therefore, through this vision of the midnight clock and the centralization of the BLOOD of Jesus that it highlights, GOD ALMIGHTY is now reminding the church of how HE decided to pay a heavy price by releasing Jesus being both GOD and Man, to be HIS perfect Sacrifice. In this way, the 11:59pm clock of GOD was meant to stir up the fact that, Jesus gave HIMSELF to GOD THE FATHER as a ransom for humanity.

Moreover, by drawing attention to the BLOOD, this vision of the midnight clock has continued to highlight unto the church that sin is an affront to GOD's honour and therefore constitute the breaking of GOD's moral law of purity. For that matter, the wages of sin being death, then this conversation by the LORD essentially unveils sinful man as being the subject of GOD's wrath, with the essence of Christ Jesus as HIS saving redeemer. The LORD is bringing to reality the fact that the present-day church should never ever forget the heavy price that Christ JESUS the Messiah HIMSELF paid for her to vindicate her from GOD's judgment. This Christ did by being the curse in place of her.

Christ hath redeemed us from the curse of the law, being made a curse for us: for it is written cursed is every one that hangeth on a tree (Gal 3:13).

Additionally, this vision of the 11:59pm clock greatly underscores that allowing the LORD Jesus to receive the punishment that was meant for the church, GOD ALMIGHTY is awakening this generation on just how far HE is willing to go, in order to uphold HIS law of moral order. By this, the LORD is seriously cautioning the present-day sinful church that HE has to fulfil HIS Exerting Law in order to uphold righteousness. Likewise, we see that the LORD has indeed exploited this novel vision of the clock to remind the present-day apostate church, that salvation is not possible except through the BLOOD of Christ Jesus as HIS ransomed sacrifice. And that there is no way the church can be reconciled back to GOD in her current compromised state, unless she REPENTS of her immorality and lies, through Christ Jesus. Only a GENUINE REPENTANCE from decay will permit today's worldly Christians to return to the original salvation of the Old Rugged Cross. Only this holy salvation constitutes the genuine free gift that GOD blessed humanity with. The LORD

is hereby stressing that no amount of *human effort* as is today being witnessed in the church, can redeem anyone into the glorious Kingdom of GOD. No amount of human greatness can *redeem* a soul! However, the *redemption* of the church into the glorious Kingdom of GOD will only come from the observance of *obedience* to Christ and **REPENTANCE** that HIS BLOOD symbolizes. That the Cross is indeed the only way through which the present-day church can enter into eternity is *undebatable*. The LORD is therefore making it very clear that only through the BLOOD can man enter the *rapture*.

⁵ For there is one God and one mediator between God and mankind, the man Christ Jesus, ⁶ who gave himself as a ransom for all people (1 Tim 2:5-6)

This clock of GOD that was lowered into the sky on that May 3rd, 2007 indeed reminds the church that this is the long awaited *dispensation* of the BLOOD, when the gospel of the Cross would have to be re-established back into the church. Only then would the believer be able to *chase away* and *purge off* the menacing decay that has consumed the present-day church. Such *decay* has crept into the House of the LORD through the *gospel of prosperity* that has not championed *holiness* year on end. Just as did the Lamb *without defect* *redeem* the Israelites from Egypt, so will only the POWER of the original

Calvary gospel of the Cross *redeem* the present-day church from sin.

BREAD WITHOUT YEAST

Bread has always had a special place in the Jewish tradition to the extent that every Jewish holiday is often associated with its own kind of special bread. It is for that reason that the LORD Jesus Spoke to them in terms of bread.

⁵⁰ This is the bread which cometh down from heaven, that a man may eat thereof, and not die. (John 6:50).

This *affection* to bread that the Hebrew expressed, is a long enduring tradition that persisted on even when they were still in Egyptian servitude. Among the commands the LORD had given Moses regarding the *midnight hour*, bread *without yeast* was a must. Apart from being durable, bread *without yeast* is considered *consecrated* and *holy*. While bread with yeast may be quite tasty, bread *without yeast* on the contrary normally tastes flat or simply has no taste. However, since this was a command from the LORD on their deliverance that night, Israel had to eat bread *without yeast* when the *midnight hour* was about to strike (Exodus 12:8). The message that emanates from this is what might help the present-day church regain her bearing towards the Kingdom of GOD. It is known that yeast in the spiritual context symbolizes all manner of *defilement* that causes

mankind to drift away from the will of the LORD.

⁷ Get rid of the old yeast, so that you may be a new unleavened batch—as you really are. For Christ, our Passover lamb, has been sacrificed (1 Cor 5:7).

Today, the Hebrew people were required clean out all the yeast and breadcrumbs from their houses prior to the Feast of Passover. The church too, today finds herself in that same place at which she is awaiting the arrival of the *midnight hour* for her *deliverance*. And the LORD is requiring of the church that she cleans out all the yeast from her life. Having been already sanctified by the BLOOD that Jesus shed on the Cross, the LORD is hereby warning the church from *cross-contaminating* herself with sin at this eleventh hour. Yeast represents *sin* and all manner of *defilement* that has today *bedevilled* the christian faith. Moreover, most of the present-day Pastors have opted to sweetening the word with yeast that it may be *palatable* unto their congregations. The LORD however is asserting here again and again, that the true bread *without yeast* is the uncompromised word of GOD. Only the uncompromised word of GOD upholds the power to *deliverance* in the church. This particular *midnight bread without yeast* is our LORD Jesus who is the uncompromised True Word of GOD, that the church must now eat to enter into the wedding supper of the Lamb. Bread with yeast is known to be highly perishable as it attracts lots of fungal infections and infestations. And this being the case, GOD ALMIGHTY is today exhorting the church to establish bread *without yeast* as her main spiritual diet for this hour.

The Bitter Herbs

During all the years of her stay in Egypt, Israel faced a *bitter rejection* that was symbolized by the cruelty *meted* towards them. Such rejection attained its peak when the decree was made by the King of Egypt for all the

male babies to be killed. It is this *bitter rejection* that the LORD never wanted Israel to forget whenever she entered the Promised Land flowing with milk and honey. This is the reason why the LORD commanded Moses to instruct the Israelites to eat *bitter* herbs on the day of their exit from Egypt and on any further observance of the feast of Passover. However, for the church of Christ this rings an important message home, because the modern-day church has *moulded* herself as one that is totally intolerant to the slightest *distress* or *pain*. Today's believer cannot stand rejection or trial. Because of this, one finds a lot of psychologists and therapists in church, instead of a total reliance on the able hands of the Holy Spirit. Owing to all this, the LORD is encouraging the church today to accept that walking a holy lifestyle in this day and age inevitably attracts animosity from this dark world. This is because a holy christian lifestyle today

essentially testifies against the sin of this world. And there is no way this *dark* world can take it lying down! That is why the LORD is Saying that, just as Israel ate the *bitter herbs* right before the *midnight* hour struck, so is the present-day body of Christ expected to undergo a *bitter rejection* from this dark world at this hour. The LORD is basically Saying that the world ought to *reject* the church at this hour owing to the state of evil that has engulfed the nations.

The Midnight Oil

The journey of the christian walk though long, can be a joyful one when the purpose is clearly well defined. The remnant church of Christ that defines this resolve well, will often adhere together in the love of Christ and the unity of faith. When the LORD Jesus walked the earth and performed HIS public ministry here, HE too Spoke about the *midnight*

hour. And though spoken in parable, HE directly attributed the narrative on the *midnight hour* to the day of the glorious return of the Messiah at *rapture*. In that parable recorded in the book of Matthew the 25th chapter, the LORD Jesus likened HIS coming to ten virgins who stepped out to await the arrival of the Bridegroom. This parable of the LORD highlights the dangers of *slumber* in the church at this last hour, since the adversary takes advantage of that and sows *bad seed* within the wheat. Just like the ten virgins who waited a long time and fell asleep, so has today's church fallen asleep in this waiting schedule. It's no wonder the enemy has openly sown such bad seed of *sexual immorality*, the *gospel of prosperity*, and blatant *sin* in the House. The most important message that the *11:59pm clock* in heaven sends to the church is that time is over, and hence the need to observe a *wise preparedness*. The two

groups of virgins, wise and foolish, were distinguishable only so far as the *jar of oil* is concerned. It is this *oil* that *separates* GOD's elect from the worldly church. When the LORD hinted that only the wise virgins with oil would make it into the Kingdom of GOD, that became the most fearful prophecy. The reason the wise church enters the rapture is because of the *jar of oil* she beholds. And this *jar of oil* essentially represents the reservoir of the flow of the *anointing* of the Holy Spirit. This in other words becomes the most important indicator yet, that the vision of the *midnight clock* essentially alludes to the commencement of the dispensation of the Holy Spirit. The LORD is saying here that only the Holy Spirit has the mandate to prepare a glorious bride of Christ and present her on that day.

Third seal broken

This *communiqué* of the *11:59pm clock* becomes even deeper because it touches on the scroll of GOD in heaven. When the Lamb opened the third seal

of the scroll of GOD in heaven, we clearly see that there is the release of the black horse together with its rider. Upon the release of this black horse, the GODHEAD is heard instructing on two major prophecies. The first being the command for the rider of the black horse to safeguard the *oil and wine*, while the second is to destroy those who are barely surviving on a quart of wheat for a *day's wages*. This was a major prophecy that the LORD GOD was releasing to the effect that when this last hour would dawn, two types of churches would appear.

⁵ And when he had opened the third seal, I heard the third beast say, Come and see. And I beheld, and lo a black horse; and he that sat on him had a pair of balances in his hand. ⁶ And I heard a voice in the midst of the four beasts say, A measure of wheat for a penny, and three measures of barley for a penny; and see thou hurt not the oil and the wine (Rev 6:5-6).

The first type being the *oil and wine*

church which figuratively represents the church that is throbbing with the *revival* of the Holy Ghost. This is the affluent church which operates on plenty and surplus of *revelation* of the word and *miracles plus signs and wonders*. The second kind of church that the LORD GOD prophesied in that utterance is the church in *desolation*, that even lacks *revelation* on the word. This second kind of church is not visited by the Holy Spirit and is mostly in *falsehood* and *decay*. The *oil and wine* church is hereby represented by the five wise virgin that Jesus spoke about for this hour, while the one quart of wheat for a day's wages is the embodiment of the foolish virgins. This can only imply that the vision of the *11:59pm golden clock* that JEHOVAH lowered from heaven, fundamentally spoke a very profound message of the *fear* of the LORD that would be required at this last hour. The *oil* that the wise virgins carry in jars is the same oil that GOD THE FATHER commands the angel who rides on the black horse to *safeguard*. That *oil* is the one that is responsible for bringing *wisdom* into the *rapture* church. We must also remember that Daniel the Prophet equally saw the two churches that would appear at this hour when he wrote his oracles and documented in chapter 12.

² And many of them that sleep in the dust of the earth shall awake, some to everlasting life, and some to shame and everlasting contempt. ³ And they that be wise shall shine as the brightness of the firmament; and they that turn many to righteousness as the stars for ever and ever (Dan 12:2-3).

Daniel the Prophet saw that there would be two types of churches, one being the church that is *raptured* into eternal life, while the other is the church that *languishes* in hell. Within the group that is *raptured*, Daniel saw two subgroups namely, those who are *wise* and lead many into *righteousness*, and the other group that we The wise church is a church that lives in the fear of the

LORD. Both the *wise* and the *righteous* church are the beholders of the Holy Spirit at this most critical hour towards *rapture*. The bible puts it plainly that behold it is the *fear* of the LORD that is *wisdom* (Job 28:28). Therefore, if there is any message to take home *emanating* from this profound vision of the elegant *golden clock* of GOD, then it is one that announces the dispensation of the Holy Spirit in the church. Just as the Holy Spirit led Jesus from the garden of Gethsemane to the Cross, so shall it lead the recipients at this hour unto the Cross in order to *crucify* their flesh, and birth out a *spiritual church* that is worthy of the Kingdom of GOD. In describing the flow of the *anointing* of the Holy Spirit and the *supremacy* HE would *wield* in the church at this hour, GOD ALMIGHTY placed no limit to HIS dominion. While the first rain may have

brought tremendous *exploits* into the body of Christ, the *latter rain* however was forecast to bring an even greater *avalanche* of visitation into the House of the LORD.

Afterward he brought me again unto the door of the house; and, behold, waters issued out from under the threshold of the house eastward: for the forefront of the house stood toward the east, and the waters came down from under from the right side of the house, at the south side of the altar. ² Then brought he me out of the way of the gate northward, and led me about the way without unto the utter gate by the way that looketh eastward; and, behold, there ran out waters on the right side. ³ And when the man that had the line in his hand went forth eastward, he

measured a thousand cubits, and he brought me through the waters; the waters were to the ankles. ⁴ Again he measured a thousand, and brought me through the waters; the waters were to the knees. Again he measured a thousand, and brought me through; the waters were to the loins. ⁵ Afterward he measured a thousand; and it was a river that I could not pass over: for the waters were risen, waters to swim in, a river that could not be passed over. ⁶ And he said unto me, Son of man, hast thou seen this? Then he brought me, and caused me to return to the brink of the river (Ez 47:1-6).

It is therefore very heartbreaking to see that the present-day church of Christ has not even risen to the first *anointing* at Pentecost, let alone aspiring for the *latter authoritative* visitation. The foregoing description that Ezekiel the Prophet saw, definitely portends to a dispensation of open heaven when the life-giving Spirit of the LORD would flow without limit into the House. And with the Spirit of the LORD in the reigns of power, falsehood would definitely have been wiped out. This is because the central theme of the visitation of the Holy Spirit is always the establishment of the *truth* in the church. In other words then, the LORD is pronouncing that this is the dispensation of the *truth*. Only the *truth* can set the present-day church free ■

PARAMARIBO, SURINAME / AUGUST 2014

CONCLUSION ON THE CLOCK OF GOD

clock is what has principally brought back *life* again unto THAT OLD biblical scripture of Isaiah with a greater importance. So much time has *tarried* with the church awaiting in great *anticipation* for such a time as this when there would be some vivid evidence in the direction of the coming of the Messiah. And by pointing the nations of the earth to the Old Rugged Cross and the BLOOD of Jesus, the ministry of this *clock* has not only become *prominent*, but also stood out in *stark* contrast from your modern day superficial gospel of *prosperity*. It is as though this ministrations by the *golden clock* is directing today's *post-modern* world back to the original *salvation* of the Old BLOOD-stained Calvary Cross. It is an old message that is pointing the church to the *creed* of true **REPENTANCE** as the only way to *restore* today's *fallen* and *compromised* Christianity. In this way, this *golden clock* in the sky appears to have been deliberately designed to direct the universe towards the *raiment* of 'camel hair', girdled by a huge old *leather belt*, and dieted on *locust* plus *wild honey*. In highlighting the Old Rugged Cross, this ministry of the *midnight hour* has become *reminiscent* of the adornment of the original pure gospel of **REPENTANCE**. It is a *missive* that has stunned the present-day church because it has come with such an *infallible* truth of GOD, and at a time when the hearts of the believers are seriously *yearning* for a new move of GOD. In the way the LORD positioned that *clock* at the entrance to heaven, one would not fail to catch that its mission is essentially that of a 'PREPARER'. That location at the entrance to heaven also greatly instructs the believers that only through the *midnight event* it proclaims, should they enter eternity. This *golden clock* of heaven therefore enjoys the *lofty* place of having to prepare the entire universe, all the

The Preparer

THE SCOPE AND DESIGN of the *golden clock* that GOD lowered into the sky on May 3rd, 2007, seems to have been principally *calculated* to *return* the *nations* from their *sin* back to their Saviour Who comes at the *midnight hour*. This *golden clock* therefore, *ministers* the doctrine of the *midnight hour* and how a people can be *prepared* unto the LORD. Its presentation in the sky at this hour appears to have been set out as a *preliminary* measure in the *divine* plan of GOD, to pave the way for the glorious coming of the Messiah. And by announcing that the *midnight hour* has *drawn nigh*, this vision of the *golden clock* essentially establishes the voice *that crieth out*, "**PREPARE YE THE WAY OF THE LORD. PREPARE IN THE WILDERNESS PLACES A HIGHWAY FOR JEHOVAH**" (Isaiah 40:3). This is what has greatly advanced the ministry of this *clock* to become part of the *preparatory* work that GOD THE FATHER has now rolled out for the glorious coming of the Christ. By pronouncing the *nearness* of the *midnight hour*, this vision of the *golden*

nations inclusive, for the glorious coming of the Messiah. The central theme that this *clock* ministers unto the nations of the earth, is a *dogma* that underscores the need for the christian believers to begin the process of *smearing* the *door frames* of their Christians hearts with the perfect BLOOD of Jesus. In that way, this *clock* has become a *heavenly host* that points the nations to the Cross of Jesus, and a PREPARER of what is about to befall the earth. In so doing, this *clock* of GOD is vigorously drawing the attention of men to that genuine old biblical Calvary **REPENTANCE** of the BLOOD, and solemnly *testifying* concerning Jesus of Nazareth. It is a timely host that is *boldly witnessing* upon the coming of the glorious Kingdom of the Messiah, and the requirements on its *citizenry*. By warning the nations to *prepare*, this humongous *golden clock* in the sky, has become a *faithful witness* that is testifying a *sombre* caution on the coming judgment that will consume those who fail to heed its *warning*, and fall short of the benchmark for the *midnight hour*. This

manner of ministration is absolutely essential because it constitutes the loud screaming of these novel words; "*behold the Lamb of GOD cometh*". And in asserting its message around the Old Rugged Cross and the wonder working BLOOD, this golden clock has hence become the excellent *witness* to the nature of the Christ. In other words, this golden clock is saying that however *glamorous, costly, treasured, purified, and affluent* it may be, it is still remains totally *unworthy* to carry or loosen the *sandals* of **HE THAT IS COMING** - the Messiah. By so doing, this massive *glamorous clock* that the LORD placed at the gates of heaven, is attesting to the immeasurable *stature* of the Messiah. For a post-modern world like ours that loves *treasures*, this becomes a wake-up call to the fact that no amount of *human treasure* can cause the hearts of men to ignore the coming of the Messiah. By pointing the post-modern nations of this day to the Old Rugged Cross and the BLOOD thereof, the ministry of this *golden clock* is as a matter of fact dispensing a glorious gospel that defines the Messiah in HIS proper place,

as the LAMB OF GOD. This clock is literally using this to highlight to the nations that Jesus Christ is the Passover Lamb of GOD Who takes away their sins (John1:29). For a world that is defeated by sin, there could not have been a better Counsel than to point them to such a MIGHTY REDEEMER. It is as though the ministration of this massive 11:59pm *clock* comes out of the dire consequences of *sin* and *iniquity* that the world has suffered, and now comes to point them to their Saviour. Therefore, in pronouncing the coming Messiah as the Lamb of GOD, this ministry of the *golden clock* has essentially affirmed to all nations, the universality of the Messiah as their only Saviour. In that vision, the LORD opened heaven and placed The *golden clock* at the entrance, thereby ministering this clock not only to the earth, but also to the other planets of the universe too. This golden clock therefore, does not announce to a particular nation, but to the entire earth and other planets, that the midnight hour upon which the Messiah comes, has drawn very near. In declaring the need for the nations to return to the Old Rugged Cross and the BLOOD, this massive *golden clock* is essentially announcing the dispensation of **REPENTANCE** upon the entire face of the earth. And considering the kind of ancient **GENUINE REPENTANCE** revival this *clock* is echoing, this clock is essentially administering that for the *forgiveness* of sin to be perfected in a soul, the *baptism of immersion*, must wash the faithful who *confess* sin. Bearing in mind that this is a spiritual *clock* pronouncing a spiritual hour, then it can only be *plausible* to underline here that this *clock* also *announces* the hour of the Holy Spirit in the church. In a world that is totally consumed by *moral corruption*, it is no doubt that this clock is lamenting the same *moral decay* that has made serious inroads into not only into the church, but also deep into the hearts of the believers. Hence, in counselling the nations that

TOTALLY CRIPPLED WOMAN GETS UP & WALKS FOR THE FIRST TIME

KISUMU REVIVAL / JANUARY 2012

the hour of the BLOOD to be smeared on their door frames has arrived, this ministration is raising forth the fact that the church has in essence *offended* GOD with her sinful lifestyle. What a manner in which this heavenly host is calling the nations to purge sin off their hearts, and embrace *reformation* in their salvation. It can eloquently be said that this golden clock that comes as a PREPARER of the *midnight hour*, is eventually demanding the *fruit of repentance* from the church. A central doctrine of this nature is what testifies through this clock on the need for a deeper inner conviction of the church through REPENTANCE. The *fruit of righteousness* that this 11:59pm vision demands from the hearts of men, is essentially meant to *signal* the outward expression of their inward *cleansing* and *renewal*. This ministry of the clock has however not forgotten to warn those who do not comply to its *clarion call* of REPENTANCE, that the axe of HE that cometh is already at the foot of the tree. While this ministration may be announcing the nearness of the hour of hope, it however also presents a

painful sharp edge for cutting.

¹⁰ The axe is already at the root of the trees, and every tree that does not produce good fruit will be cut down and thrown into the fire (Matt 3:10).

This *golden clock* of GOD in the sky is seriously preaching the gospel of *washing with water* unto those who *repent* and convert, and the baptism with fire when the Holy Spirit conquers their souls. It has hence become an announcement to the nations, that REPENTANCE is required at this hour so as to establish GOD's moral order. It is the ministry of *remission* of sin. Moreover, the LORD is still using this heavenly host to crusade forth that from the *repentance* of the Cross, the *baptism of water* remains *supreme law*. The LORD is also using this mighty vision to affirm that the effect of GENUINE REPENTANCE must now be seen in the life of the church, that she may win forth souls. Because the Calvary Cross is known for *crushing* the *loftiness* of men, then the LORD is essentially employing this message to bring down the *pride* of men and

to bring them under the *subjection* of Christ. Thus, by announcing that the *midnight hour* is near, the LORD is essentially levelling the souls of men and removing all forms of *hindrances* that were in the way of Christ. This mission of the *golden clock* arises from the fact that the present-day church has essentially become a *corrupted* lot that is guilty of *sin*. Yet there is no better generation to awaken from slumber than this generation which is so *hateful* of GOD to the extent that *open rebellion* is the order of the day. *Heathenism*, *atheism*, and *homosexuality* have established in this generation. For that matter, the ministry of this *clock* is also dispensing a serious *warning*, that when the *midnight hour* strikes, there will be no *fleeing* from the coming *wrath*. But by REPENTANCE and the changing of her ways, the present-day *compromised* church can still be *salvaged* into the Kingdom of GOD come that day. This ministry of 11:59pm is indeed a ministry and a half. This is because it is sending out clear chills down the spine of the present-day *elect* of GOD too. It is an in-house message which says that if the present-day believers are not holy both in *heart* and *life*, their superficial profession of *salvation* and *communion* with GOD, will on that day come crumbling down in the public. The LORD has hence loved the church this much with this vision of the clock and ascertained unto the nations that *obedience* unto the Cross is better than *sacrifice*. And that the church is still the priestly royal bride for whom heaven can marshal such an expensive humongous golden clock in the sky. ■
